The horizontal reel, the Millionaire Scatters, rainbow Wilds and Megaways™ reactions will keep the player at the edge of their seat as they are after potential wins. Itchy players can always use the Bonus Buy feature to propel themselves into the Bonus Round—where they may accumulate unlimited Free Spins!

FEATURES IN THE GAME

DUAL REACTIONS

This cascading reel system allows the reels to cascade in both directions and is the perfect marriage to the Megaways™ functionality, propelling this game into an entirely new genre that engages players like never before! Dual Reactions adds a symbol to the reel it is below for reels 2, 3, 4 and 5 for a game fit to make millionaires!

FEATURES IN THE GAME

HOT SEAT FREE SPINS GAMBLE

Hot Seat Free Spins Gamble Right before the Free Spins, the player gets a taster of what it is like to sit in the Hot Seat of Who Wants to be a Millionaire? game show. They get the possibility to climb the 12 rungs of the prize ladder, which contains 8-50 Free Spins! The more Millionaire Scatters land on the reels during the main game, the higher the rung the player starts in this mini game.

While climbing the rungs, the player is offered three possible lifelines on each question:

- 50:50 which removes two of the four possible answers

- Phone a friend, which marks the most likely correct answer

- Ask the audience, which reveals the chances of each of the four answers being the correct one.

The player can then mark an answer—either A, B, C, or D—and click Final Answer to gamble for more Free Spins or Walk Away with the Free Spins they already have in store. Rung 2 and 7 do not offer a Walk Away option, as the rungs before them are safety nets, therefore these are risk-free rounds.

FEATURES IN THE GAME

FREE SPINS

During the Free Spins round, each reaction increases the win multiplier by one. Three and four Millionaire Scatters appearing on the extra, horizontal reel will grant the player four and eight additional Free Spins, respectively! The original stake upon triggering the Free Spins will be used as a default wager during this Bonus Round.

FEATURES IN THE GAME

BONUS BUY™

Bustling players who cannot wait for the Millionaire Scatters to launch the Free Spins round can use the Bonus Buy feature. They will be granted 10 Free Spins at 75x of their original wager or 20 Free Spins at 150x of the original stake—starting on either rung 2 or rung 7 in the Hot Seat Free Spins Gamble!

SYMBOLS

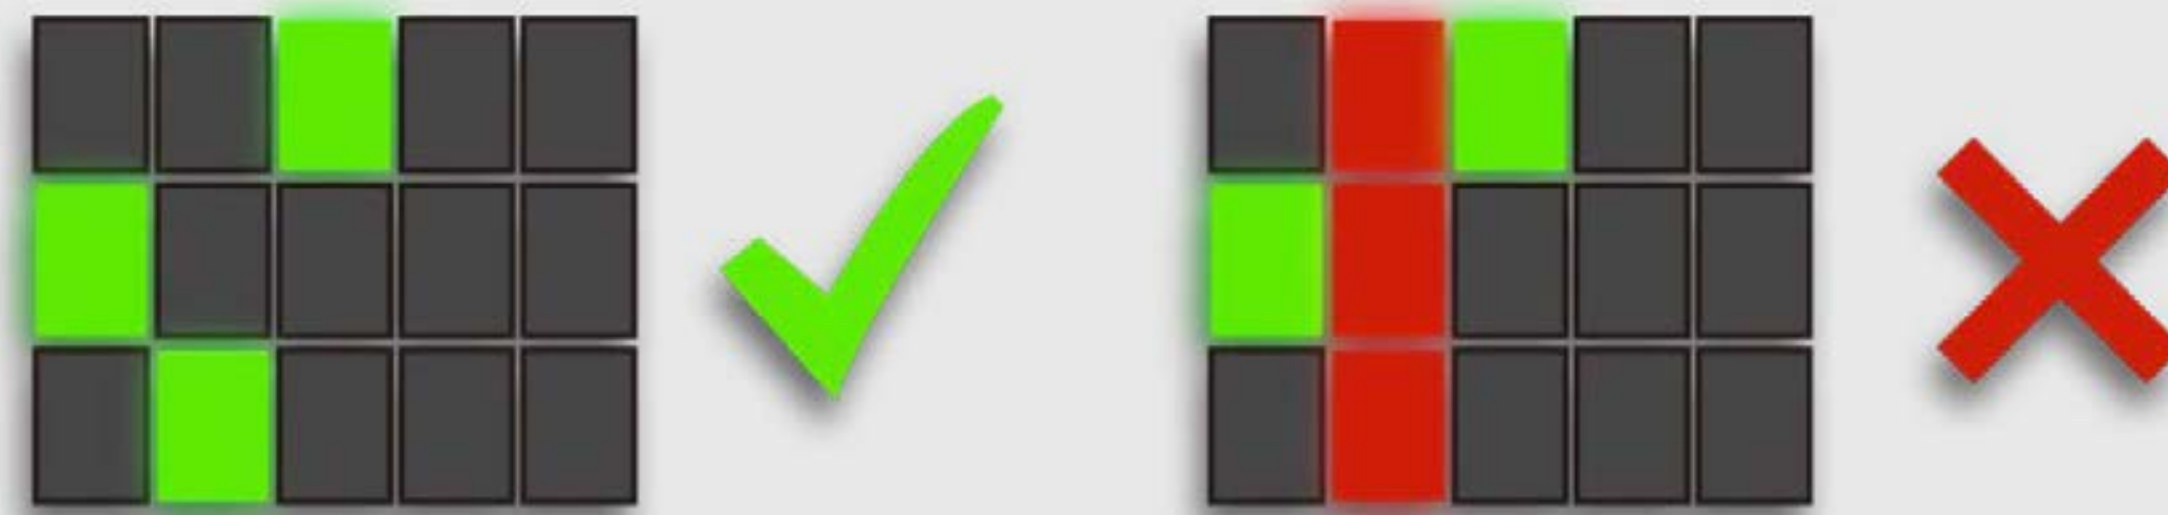

The highest-scoring playing card values polished into gem-like finish embody the low-paying symbols in Millionaire Megaways™, while the high-paying symbols are all glinting gems!

Three or more Millionaire Scatters will trigger the Hot Seat Free Spins Gamble, where players get a taster of Who Wants to Be a Millionaire? experience as they chase Free Spins before they enter the Bonus Round.

The rainbow Wilds, appearing only on the uniquely horizontal extra reel, will substitute any symbol, except for the Millionaire Scatter, to complete win ways..

MEGAWAYS™

Wins are awarded on left to right adjacent symbols regardless of size. Payouts are multiplied by Stake.
