## GAME FEATURES

Angel Wilds appear on reels 3 and 4 with a multiplier between x4 and x12. Up to 2 Angel Wilds may appear each spin for a glorious combined multiplier of up to x144.

### Angel Wilds

Starting with 7 Free Spins, one of the regular symbols is randomly chosen to act as the Sticky Wild. If it hits anywhere on reels 2 through to 5, it will transform into a Sticky Wild and remain in position for the rest of the round. If you manage to get a full reel of Sticky Wilds, you will be awarded 3 additional spins. Better yet, if it happens on reel 3 or 4, it will transform into an Angel Wild that will set you off with a multiplier of 4x and increase by 2 with each spin up to a maximum of 12x. With 2 of these, you could potentially be playing with multipliers of up to 144x.

### Be My Angel Free Spins

Starting with 12 Free Spins, all winning symbols, except Scatters, are part of a reaction and are replaced by symbols dropping in from above. Dynamite Wilds may also appear on the two central reels – these increase by 1 on each cascade that they're part of and multiply each other. You can also retrigger this feature by landing 3 or more Scatters which will give you 6 extra free spins (additional Scatters award an extra 6 spins each).

### Dyanmite Lover Free Spins

To gain access to the Heartstopper™ feature players need to collect 40 Hearts. Every base game spin with only 2 Scatters awards a Heart. Once 40 Hearts have been earned, you get to chose from the same 2 Free Spins features, although this time, they come with additional benefits:

- Enhanced Be My Angel Free Spins – The top paying symbol (Purple Heart) is now also designated a Sticky Wild.
- Enhanced Dynamite Lover Free Spins – The multiplier of the Dynamite Wild starts at 5x as opposed to 1x in standard mode.

### Heartstopper™ Enhanced Free Spins

### Bonus Buy

Can't wait to dive into the heart of the action? Indulge in the brilliance of the Bonus Buy feature! With a mere 85x your stake, you can instantly access Free Spins, and each purchase carries a 22.95% chance of awarding you Enhanced Free Spins. It's a devilishly tempting offer you won't want to resist!
