

Introducing: **DANGER HIGH VOLTAGE™**

There's fire in the disco—are you ready to obey dance commander's orders?! Danger High Voltage by Big time Gaming is an electrifyingly fiery incarnation of the American rock-disco band Electric Six's namesake song.

This blazing slot shocks players with random Sticky Wilds, up to 66x Multipliers and a total of 4,096 win ways. In Danger High Voltage, improper dancing in the middle of the reels flares up as full-reel Fire and Electricity wilds may appear. The My Desire Scatter may open a vortex to the Free Spins round where the player will stand before the Gates of Hell or near High Voltage rays taking their chances for potentially big wins. If your restless boogie legs drag you to the middle of the dance floor and you cannot wait for the Scatters to trigger the Bonus Round, you can always use the Bonus Buy Feature to make you sway immediately.

When the same symbols touch on the reels you may feel some static running down your spine. Are you ready to spin the disco ball that is Danger High Voltage?

HIGHLIGHTS

- Full-reel Fire and Electricity Wilds may ignite the reels

About Big Time Gaming

BTG must be used in all text marketing and communication materials alongside DANGER HIGH VOLTAGE™ and BONUS BUY™. The game is responsive to any height and width setting; however, for best results, house the desktop version of the game in a 16:9 ratio window.

FEATURES IN THE GAME

ELECTRIC AND FIRE WILDS

Buzzing static and crackling fire accompany full-reel Electric and Fire Wilds as they may land on reels from two to five. Electric Wilds will multiply win way payouts by 6x.

FEATURES IN THE GAME

HIGH VOLTAGE FREE SPINS

After three or more My Desire Scatters pop up on the reels, players can choose between two Bonus Rounds: Gates of Hell and High Voltage.

In the High Voltage Bonus Round, the player starts with 15 Free Spins and may receive further 15 Free Spins, with unlimited retrigger, if three or more Scatters land on the reels. The full-reel High Voltage Wild may appear anywhere on reels two to five, multiplying win way prizes by a random 11x, 22x, 33x, 44x, 55x, or 66x. High Voltage Wild substitutes for any symbol, instead of the Scatter.

FEATURES IN THE GAME

GATES OF HELL FREE SPINS

Standing at the Gates of Hell, the player starts with seven Free Spins and may win up to 19 additional Free Spins. During this Bonus Round, one of the game's symbols will randomly be tagged as Sticky Wild. If a Sticky Wild lands on reels from two to five, they will substitute any symbol to complete win ways. Four Sticky Wilds landing on the same reel will add three Free Spins to the total.

FEATURES IN THE GAME

BONUS BUY

Players with jittering dance feet just cannot wait for the scatters to land. They can buy Free Spins with the Bonus Buy Feature at 65x of the wagering stake.

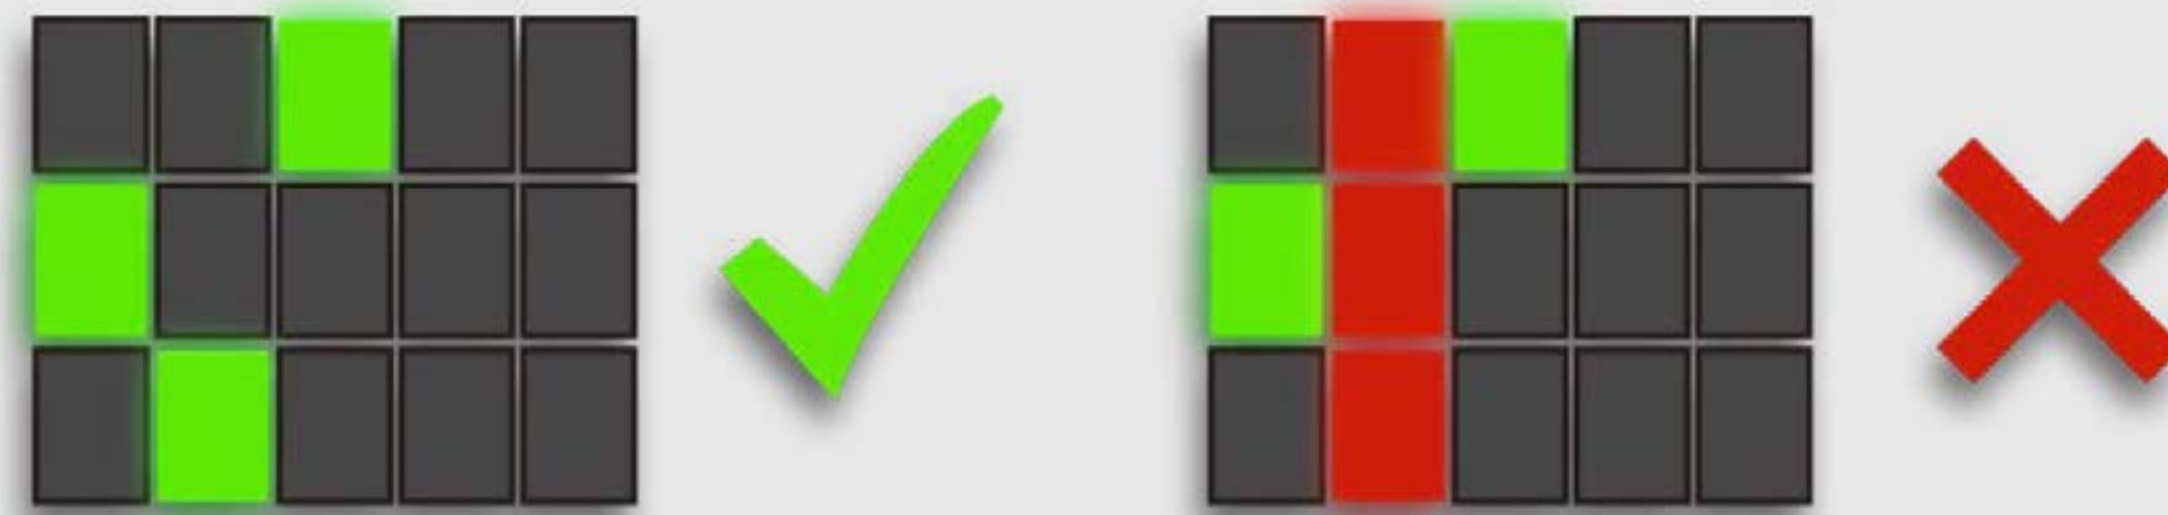

SYMBOLS

The low-paying symbols appear in glowing, neon representation of the highest-scoring playing card values. The high-paying symbols showcase crunchy tacos, glittering disco balls, lucky bells and calavera-style skulls embellished with lilac gems.

The My Desire Scatter, a crowned heart tattoo, will trigger Free Spins rounds if three or more hit the reels. Full-reel Electric and Fire Wilds may appear on reels two to five to complement win ways.

WIN WAYS

Wins are awarded on left to right adjacent symbols regardless of size. Payouts are multiplied by Stake.
