## GAME FEATURES

### Megaways™

With reacting wins and a mouthwatering 117,649 ways to win, this game brings the heat straight from an Italian kitchen. Watch the magic unfold as every winning symbol, excluding the Wild Meatball, becomes part of a spicy reaction, replaced by symbols raining down from above like a shower of Parmesan flakes. Keep an eye out for the Wild Hat, which substitutes for every symbol except the fiery Wild Meatball. Catch the Wild Hat on reels 2 to 5, where it adds an extra dash of flavour to your winning combinations.

### Wild Meatball

In each delightful spin and every tantalizing reaction, brace yourself for the fiery entrance of our zesty hero - the Wild Meatball! These flavour-packed balls may drop onto reels 2 to 5 as a saucy substitute for all other symbols turning every spin into a spicy masterpiece. Wild Meatballs kick off their performance with a multiplier displayed on the pot above the reel, just like the secret spice blend in a Nonna's recipe. And as they cascade down, the multiplier spices things up, increasing by one for every row descended. These wild wonders don't fade away easily! They linger on the screen throughout the reactions, infusing each moment with their spicy magic. Only bidding adieu when they reach the bottom of the reel or when the wins simmer down.

### Free Spins

When the base game is cooking up excitement with 5 or more reactions, brace yourself for the ultimate reward—8 Free Spins, plus an extra one for every reaction beyond the fifth! Each Free Spin kicks off with a Wild Meatball, our fiery maestro of substitutions. Meatball Multipliers from the triggering base game continue to spice up the Free Spins, adding an extra layer of zest to your winning combinations. If 5 or more reactions set the reels ablaze during Free Spins, get ready for a bonus encore. We'll toss in 4 additional Free Spins, plus one more for each reaction beyond the fifth, ensuring your taste buds are treated to an extended feast of wins.
