GAME FEATURES

Triple Reaction™

Experience the revolutionary Triple Reaction™ feature, where wins sets off a chain reaction across not only the primary reels but also two additional ones. The Extra Reels introduce captivating symbols above and below reels 2 to 5, enhancing the thrill. With each winning combination, a cosmic chain reaction ensues. These winning symbols explode as new symbols descend from above, for some truly delicious wins. On the upper Extra Reel, symbols materialize from the left like shooting stars, while on the lower Extra Reel, they appear from the right.

Wilds

Unveil the power of the Wild symbol, a cosmic chameleon that mimics any symbol except the Scatters. These Wilds, like shimmering cosmic comets, exclusively grace the Extra Reels, adding an extra layer of excitement to your voyage. But the true magic lies within the x3 Wild – a rare and potent force that magnifies your wins threefold! Imagine, as you traverse the cosmic expanse, encountering not just one, but multiple x3 Wilds. These cosmic Wilds multiply across different columns and add together on the same column, creating astronomical rewards. While these x3 Wilds are your celestial allies, they manifest exclusively during the base game.

Free Spins

The key to unlocking cosmic treasures lies in the golden FREE Scatters that awards 10 Free Spins, igniting your journey among the stars. An extra Scatter possesses the power to launch the Win Multiplier at x5, unveiling a realm of intensified rewards. And with each subsequent Scatter, the starting Multiplier magnifies by x10, for deliciously fruity Free Spins experience.

As the Free Spins begin, an unlimited Win Multiplier, starting at 1, emerges from the cosmic depths. With each tasty reaction, it ascends by 1. As the Win Multiplier journeys upwards, hitting milestones divisible by 10, a celestial jubilation takes place – 5 extra Free Spins are granted as a cosmic gift.
