

Introducing: GOLDEN CATCH™

Can you reel in the big, juicy ones? If you are a ravenous pescetarian who loves chasing attractive prizes, Big Time Gaming’s Golden Catch Megaways™ is just the slot for you. The signature Megaways™ mechanic offers potentially up to 117,649 ways to win! As part of the mechanism’s nature, each match will cause a reaction—the symbols pop sparking bubbles, turn into fish and the catch results in cash wins for the player, which gets boosted if random Multiplier boats hover atop the reel to collect the fish. New symbols will float into the place of the ones that disappeared during the reactions, so the player can chance multiple wins on one single spin.

The tackle box is crammed with features: Win Exchange™ for instant Free Spins or Wheel Gamble Free Spins, Bonus Buy, Multiplier Boats, anchor Wilds, and Golden Catch Scatters. Fly that bait in the air to see if you are the angler of fortune!

FEATURES IN THE GAME

REACTIONS

Random Multiplier Boats may appear, floating atop the six-reel screen, on reels 2 to 5. In case of matching symbols, fish will jump into the boats and cash wins will be boosted by the Multiplier emblazoned on the boat. When a boat catches fish, it will move one reel to the left until the reactions (and hence the spinning round) keep going. During the Free Spins, Boat Multipliers start from 1x and increase gradually with no limit!

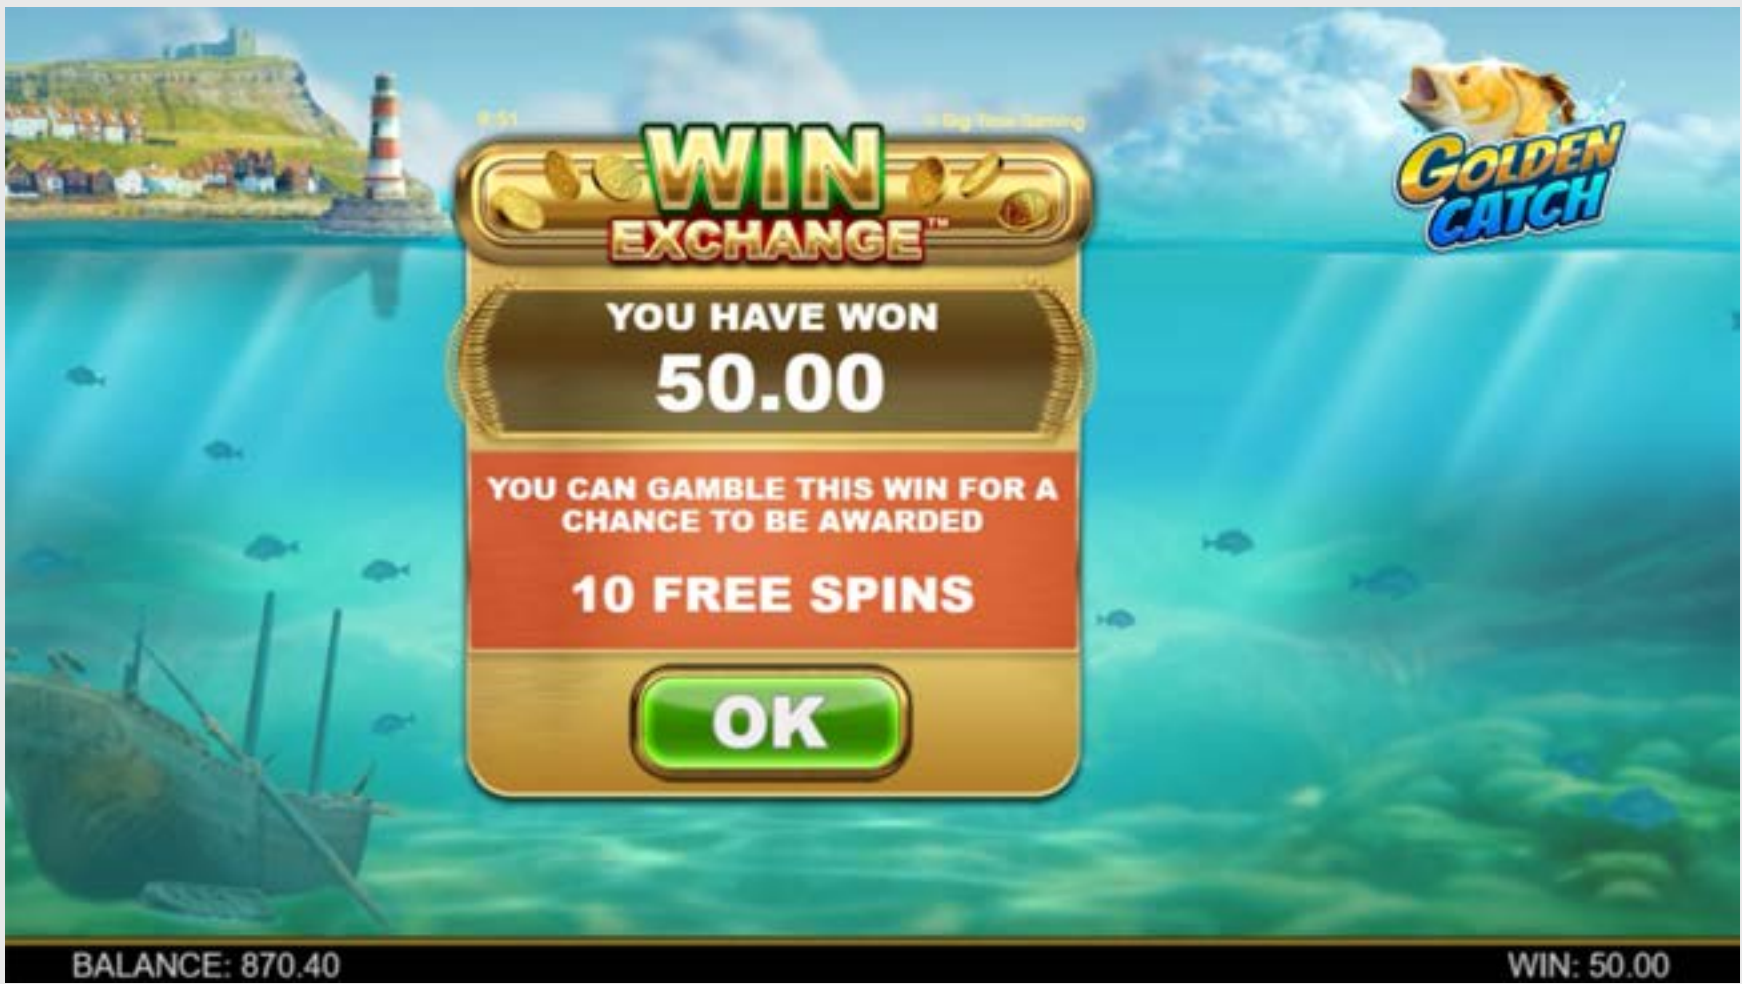

FEATURES IN THE GAME

FREE SPINS

3 or more Scatters in the base games award 10 Free Spins, plus 2 for each Scatter beyond the third. During the Free Spins, the Multipliers of the Boats above reels 2 to 5 will gradually increase when symbol matches manifest in cash-bearing fish catches. Additional Free Spins will land in the angler's net if 3 or more Scatters hook onto the reels: 4 Free Spins for 3 Scatters, and 2 additional Free Spins for each extra Scatter.

FEATURES IN THE GAME

WIN EXCHANGE™

Win Exchange™ is the Golden Fish’s fulfilled wish. When the player wins 100x, or more, of the original wager, they can either collect the prize or exchange their cash win for 10 Free Spins. If the win is between 25x to 100x of the original stake, the player can either collect their cash prize, or exchange it for a spin at the Fortune Wheel and gamble for potentially 10 Free Spins.

FEATURES IN THE GAME

BONUS BUY™

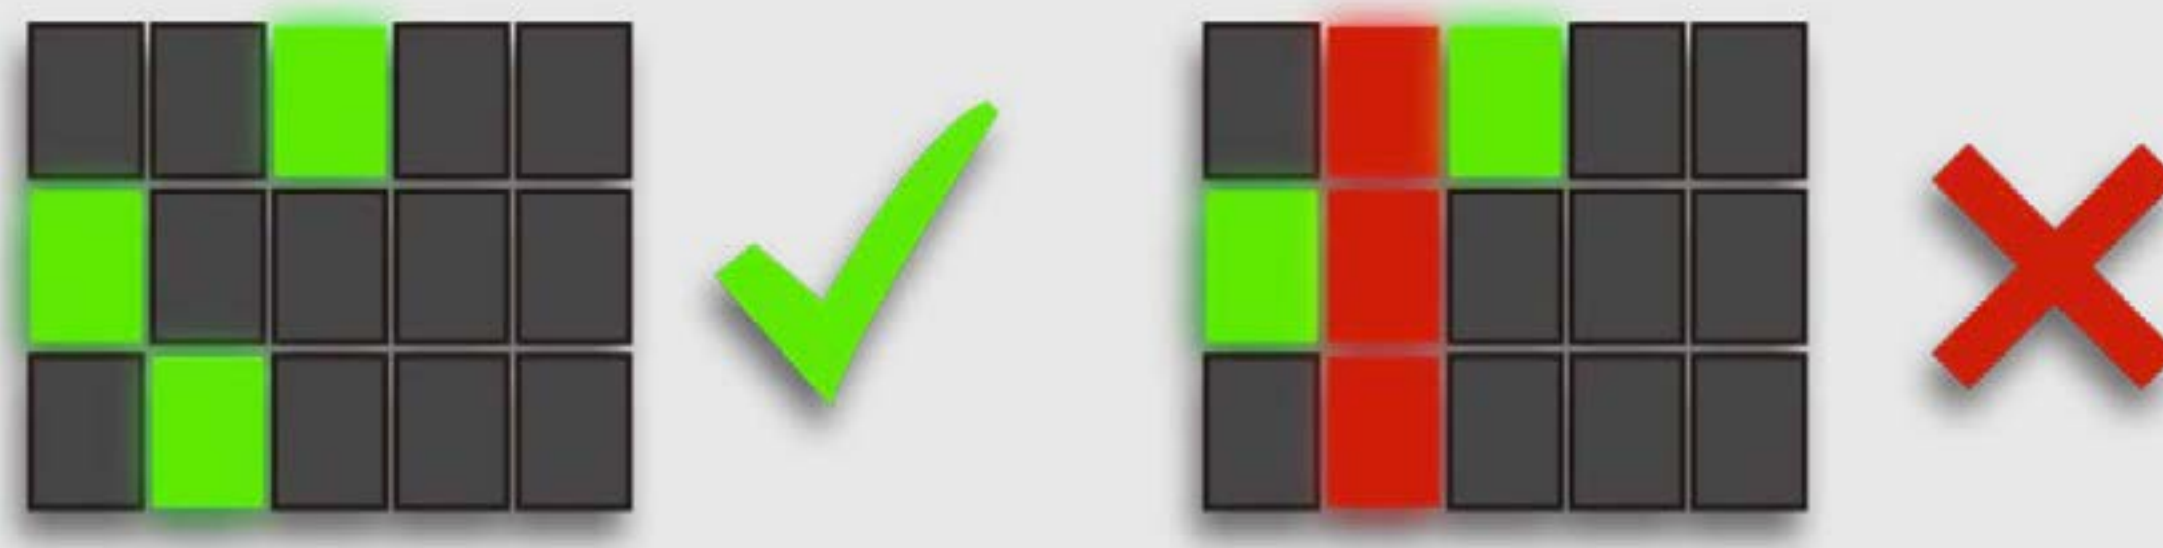

While being a fisher means disciplining your patience, edgy players can immediately splash into the Free Spins Bonus Round by triggering the Bonus Buy feature, at 100x the price of the original wager.

SYMBOLS

The highest-scoring playing card symbols receive a colourful, watery feel as the low-paying symbols in this subsea online slot game. The high-paying symbols are eye-catching fish baits to help boost your chances of landing that Golden Catch™.

WIN WAYS

Wins are awarded on left to right adjacent symbols regardless of size. Payouts are multiplied by Stake.
