# TWISTS, TURNS AND THRILLS ON THE RACETRACK!

EZ Marble Race isn't just another RNG racing game — it's an electrifying spectacle where five vibrant marbles compete on a custom-built track filled with twists, turns, and unexpected obstacles. Each race is pre-recorded yet unique, keeping you on the edge of your seat as you anticipate which marbles will dominate the leaderboard.

Think you can predict the winner? Will your pick take the crown, or will an underdog steal the spotlight? With multiple ways to bet — whether on the exact order, top positions, or the ultimate

champion — the stakes are always high, and the excitement never fades.

What truly sets EZ Marble Race apart is its immersive racing atmosphere. Inspired by legendary circuits in Monaco, the backdrop draws you into the world of high-speed competition, making every race feel like an epic showdown.

So buckle up, place your bets, and let the marbles roll!

### **HOW TO PLAY**

#### THE OBJECTIVE

The game features five marbles of different colours — green, yellow, white, blue, and red — all racing towards the finish line. Your mission is to predict which marbles will finish in the top spots and what order!

#### **BETTING PHASE**

Before the race begins, you can place a variety of bets:

First Place: Your selected marble finishes first.

**Top 2 –** Exact Order: Your two selected marbles finish 1st and 2nd in exact order.

**Top 2 –** Any Order: Your two selected marbles finish in the top two in any order.

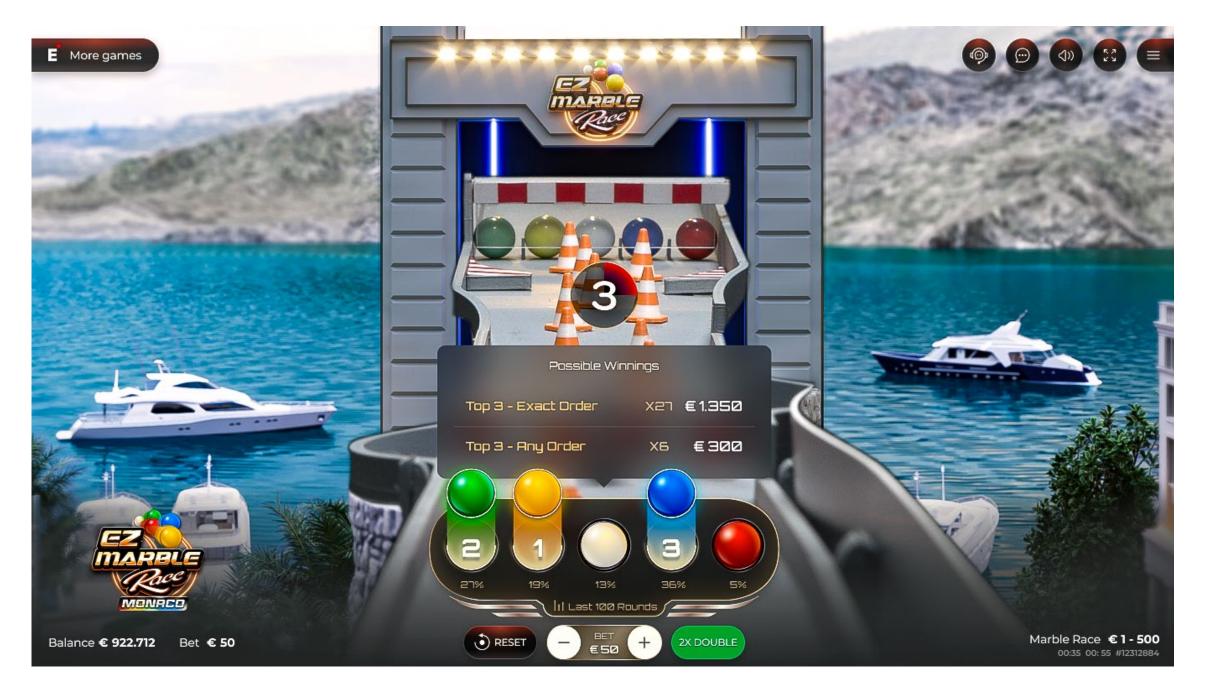

One Of The Two Wins: One of ther two selected marbles wins the race.

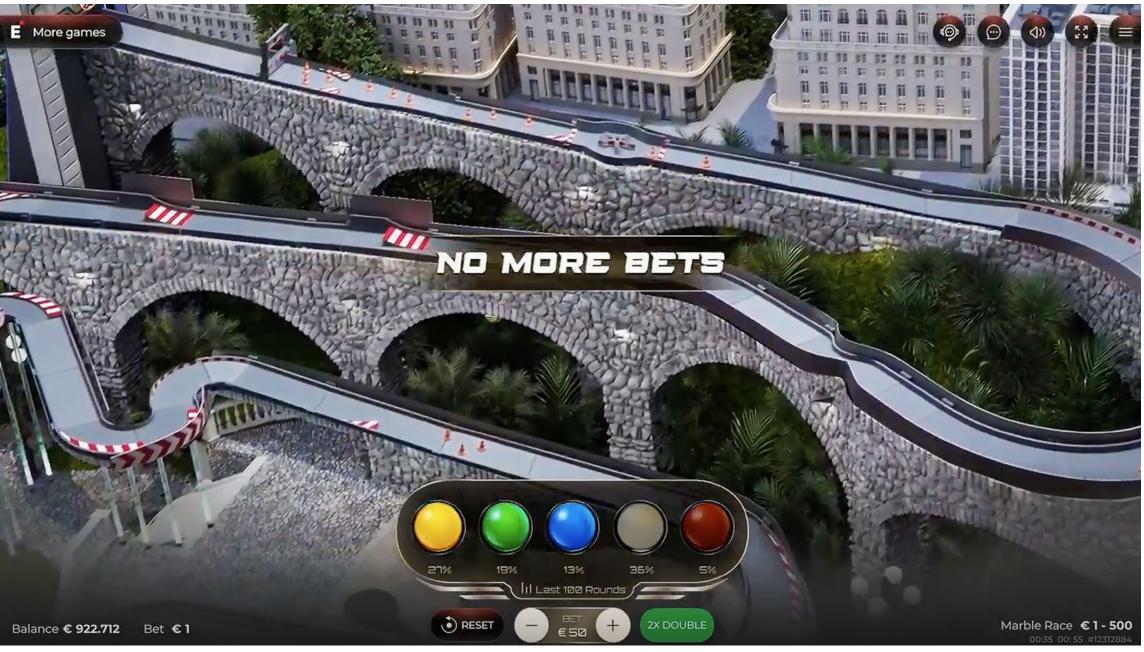

**Top 3 –** Any Order: Your three selected marbles finish in the top three in any order.

**Top 3 –** Exact Order: Your three selected marbles finish 1st, 2nd, 3rd in exact order.

**Top 5 –** Exact Order: Your five selected marbles finish in the exact order.

**Top 3 –** Exact Order: Three of your selected marbles finish in the exact order.

#### THE RACE

Once the betting time is over, the race kicks off. The marbles will always start from the same position as they are released. Sit back and watch as the marbles zoom through the track's twists and turns, dodging obstacles and reacting unexpectedly.

#### THE RESULT

Once the race finishes, the results are revealed. You'll earn the corresponding payout if you've correctly predicted the exact order, top placements, or the winning marble.
