

## Game Description

Odin, Thor, Freya: the gang of gods are back in Riches of Midgard: Land and Expand™. The Hot Spot Reels, which are on either side of the reels, spin together with the regular reels but do not form part of winning combinations. Instead they activate Re-Spins in the main game and in Free Spins. All symbols activating the Re-Spin expand to cover their entire reels and are locked, aiding you on your quest for riches!

If you haven't got the patience to wait to land Free Spins, fear not! You can activate Free Spins with the Buy Feature at 80 times the bet. With a potential payout of 1767 x your bet, Riches of Midgard: Land and Expand™ definitely delivers wins fit for the gods!

The legendary realm of Midgard awaits you.
