

Game Description

NetEnt™ presents Dazzle Me™ Megaways™, a proud successor to one of its all-time classics. This 6-reel video slot fuses iconic graphics with features both old and new. The Megaways™ payout mechanic adds an extra twist to the game experience: the number of symbols on the reels is randomly chosen each spin, resulting in the varying number of Megaways™, reaching up to 99225 Megaways™!

The Avalanche™ feature compliments the Megaways™ mechanic increasing each spin's potential and boosting the excitement.

At the same time, the Dazzling Wild Reels feature makes a comeback, randomly filling reels with Wild symbols. In Free Spins, the feature become even more thrilling with guaranteed Dazzling Wild Reels each spin and the number of Wild symbols on the reels increasing with each win!
