

Game Description

Team up with superhero witches and NetEnt to protect your world from evil invading monsters in Wonderland Protector™. The fun begins with the Destroy Feature which removes from the reels symbols of all colors but one. Players will also be awarded with the Hero Wilds feature, where a win on the Hero symbols turns them into Wilds. Travel through different Free Spins worlds; every world welcomes players with special Wild features. So without further ado, press spin and buckle up for an epic journey full of fun!

Catch phrases

- Join a team of super witches who battle to save the world from invading monsters!
