

CONAN™

VIDEO SLOT

CONAN © & TM Conan Properties International LLC

Game Description

Conan Video Slot is based on the famous sword-flashing hero. The game is a 6-reel, 4-row slot played with 48 bet lines and different coin values.

The base game has huge variety with 4 different features possibly activating on each spin: Tower Wilds, Mystery Symbols, Battle Wilds and if you're really lucky, the Thoth-Amon Feature – which offers players huge potential and is sure to be popular.

When 3 or more Scatter symbols land in the base game, Free Spins unleash Conan's power even more! There are 3 different types of Free Spins to choose from: City of Thieves, Temple of the Serpent and Walls of Tarantia.

Hit spin and join the adventure!
