

SUPER STRIKER™

Game Description

What a hit! Kick off the summer with Super Striker™, the new 3-reel, 3-row video slot from NetEnt™, featuring multi-level Free Spins, the Golden Multiplier feature and the Bet Slip feature. Striking a Golden Scatter in the main game awards an instant win, while a hat-trick of three Scatter symbols activates 5-level Free Spins with an increasing Level Multiplier. In Free Spins, players collect Golden Scatter symbols, with each adding to the total win and resetting the number of Free Spins.

Collecting nine Golden Scatters lets the players advance to the next level - and the winners who qualify for the Free Spin finals are awarded with an x10 Level Multiplier! The Bet Slip in the form of a side bet adds that extra thrill of sports betting! Let's get the ball rolling with Super Striker™!
