

Game Description

NetEnt™ invites the bravest mortal heroes to challenge the vicious Medusa and earn a place among the Olympians in its new 6-reel video slot Parthenon: Quest for Immortality™. Sequel to the all-time classic Pyramid: Quest for Immortality™, it offers the familiar Wild Generation Zone feature that turns all winning top-row symbols into Wilds, the Avalanche™ feature and Free Spins with an increasing Multiplier.

Wild Generation Zone and Avalanche™ features turn every main game spin into an exciting adventure where a twist of fate can lead to multiple wins in a single spin. At the same time, Free Spins have a progressive Multiplier of up to x20 that increases with each Wild appearing on the reels and Scatter symbols that award additional Free Spins.

The game's classic theme, breathtaking art and familiar features with exciting twists will appear to a wide audience of players and bring them many hours of entertainment.
