FEATURES

FEATURE LAMPS

Oil Lamp symbols may appear on any spin until all features are unlocked. Collect Oil Lamp symbols to progressively fill the Feature Lamps until each successive feature is unlocked.

Once a feature is unlocked it will be triggered on the next spin at the same stake and may continue to trigger randomly on any future spins at that stake. More than one feature may trigger in the same spin if there is more than one feature unlocked.

Feature Lamp requirements:

- First Stage - 6 Oil Lamps required. Unlocks Imperial Spin feature.
- Second Stage - 7 Oil Lamps required - 13 in total. Unlocks Random Wilds feature.
- Third Stage - 8 Oil Lamps required - 21 in total. Unlocks Multi-Pick feature.
- Fourth Stage - 9 Oil Lamps required - 30 in total. Unlocks Mega Wilds feature.

When an Oil Lamp lands, it fills a Feature Lamp and then disappears from the reels, resulting in fewer Oil Lamps available to land on subsequent spins.
