### About Red Tiger Jackpots

Like all Red Tiger slots, Dear Santa may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.13% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.13%. The RTP of the jackpot contribution itself is 100%.
