

Red Tiger presents: Rise of Cleopatra

Every empire begins with a single move. Yours begins in Rise of Cleopatra!

Scarab Wilds land on reels 1, 3 and 5, filling feature jars to unlock four escalating powers: Remove Suits, Random Wilds, a sundial-spun Multiplier, and towering Mega Wilds. Once unlocked, features trigger on a future spin and may return again at any time, stacked, combined, or alone. Free Spins offer up to 12 spins, with retriggers possible and all progress carried in and out of the round. Feature Buy lets you rule like a pharaoh, instantly unlocking any feature or the full bonus round.

Cleopatra’s story ends in legend but yours is just beginning...

GAME FEATURES

Collect Scarab Wilds to progressively fill the feature jars until each successive feature is unlocked. Scarab Wilds can appear on any spin on reel 1, 3 and 5 until all features are unlocked, except spins that have a feature. Scarab Wilds substitute for all paying symbols. Once a feature is unlocked it will be triggered on the next spin at the same stake and may continue to trigger randomly on any future spins at that stake. More than 1 feature may trigger in the same spin if there is more than 1 feature unlocked. Collect 6 Scarabs to unlock Remove Suits, 12 for Random Wilds, 18 for the Multiplier, and 24 to unleash Mega Wilds.

Feature Jars and Scarab Wilds

All card suit symbols are removed from the reels for the spin.

Remove Suits

A random number of Cleopatra Wilds can land on any of the reels.

Random Wilds

A sundial spins and stops to reveal a Multiplier of x2, x3, x4, x5, x7, or x10. If there are no wins in the spin in which the feature is activated, it remains active until a win occurs. If the Multiplier feature is triggered again before a winning spin occurs the revealed multipliers will be stacked up. If a multiplier is active before you enter Free Spins, the multiplier will be applied to the first win that occurs in the bonus. If a multiplier is active at the end of Free Spins, it will be applied to the next win that occurs after the bonus has finished.

Multiplier

When this feature triggers, it adds one or more Cleopatra Wild Mega symbols, ranging from 2x2 to 3x3 in size, onto the reels.

Mega Wilds

Landing 3, 4 or 5 Free Spins scatters during a base game spin awards 8, 10 or 12 free spins respectively. During Free Spins, hitting 3, 4 or 5 scatters grants 4, 5 or 6 additional free spins. Any features you've unlocked can also trigger in the bonus round. Progress made toward unlocking features carries both into and out of the bonus round.

About Red Tiger Jackpots

Like all Red Tiger slots, Rise of Cleopatra may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.15% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.15%. The RTP of the jackpot contribution itself is 100%.
