

Red Tiger presents: Gods of Troy Megaways™

The gods have returned and the battle is fiercer than ever in Gods of Troy Megaways™!

Megaways™ and Chain Reactions fuel the action, with symbols disappearing to create new chances to win. Golden Shields gather throughout a 10-spin cycle, transforming into Wilds on the 10th spin. Helen merges into powerful super symbols, while Troy Spins add intensity as 3 scatters trigger 8 spins with up to 8 random Wilds, and 4 scatters grant 12 spins with up to 10 Wilds each round.

Like the Trojan Horse, you never know what’s waiting inside... are you prepared to uncover Troy’s greatest secrets?

HIGHLIGHTS

- Collect Golden Shields that transform into Wilds on the 10th spin.
- Trigger 8 or 12 Troy Spins with random Wilds, up to 10 per spin.
- Feature Buy to enter Troy Spins.

With-Jackpot RTP options	90.12%, 90.73%, 92.75%

GAME FEATURES

Golden Shields and Wilds

Wilds only appear on the 10th spin, placed on a reel based on the shields collected there during the first 9 spins. Wilds substitute for all paying symbols.

Every spin is part of a 10-spin cycle, shown by a counter above the reels. Golden Shields can land on the middle 4 reels during the first 9 spins and are stored above the reel where they land. On the 10th spin, all collected Golden Shields drop onto their reels as Wilds. If multiple shields land in the same spot, they increase the Wild’s multiplier by +1.

Helen

Helen is a regular paying symbol. When 2 or more land stacked, they merge into a super symbol. The number on the super symbol shows how many 1x1 symbols it represents.

Troy Spins

Troy Spins scatters can only land on reels 2, 3, 4, and 5 during the first 9 spins of the cycle.

- 3 scatters: 8 Troy Spins, with 3 - 8 random wilds placed on the reels each spin.
- 4 scatters: 12 Troy Spins, with 5 - 10 random wilds placed on the reels each spin.

Shield scatters do not appear during Troy Spins. Any Troy Spins scatter that lands during the bonus round adds 1 extra spin.

Feature Buy

- 1. Troy Spins with 3 scatters:** Guaranteed to land 3 or more Troy Spins scatters for 75xc the stake. When buying this feature the game is transferred into a new state. The current game state will be saved and restored upon the completion of the bought round. The price for buying this feature is 75x the stake.
- 2. Troy Spins with 4 scatters:** Guaranteed to land 4 Troy Spins scatters for 300x the stake. When buying this feature the game is transferred into a new state. The current game state will be saved and restored upon the completion of the bought round. The price for buying this feature is 300x the stake.

About Red Tiger Jackpots

Like all Red Tiger slots, Gods of Troy Megaways™ may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.12% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.12%. The RTP of the jackpot contribution itself is 100%.
