

HIGHLIGHTS

- Trigger chain reactions with 8 matching symbols.
- Viking Wilds, Expanding Viking Wilds, escalating multipliers and remove symbols.
- Free Spins unlocks with 3 or more Yggdrasil symbols.

Red Tiger presents: Viking's Legacy EveryWay™

Enter the realm of Viking glory, where the winds whisper tales of triumph in Viking's Legacy EveryWay™!

Land 8 matching symbols anywhere on the reels to ignite cascading wins, as winning symbols vanish to make way for new ones, with no limit to the chain reactions that can unfold. With each consecutive win, additional features activate above the reels. Keep an eye out for the Viking Wild on reels 3 and 4, each equipped with 2 lives. Following the first win, watch as the Expand feature triggers, causing Vikings Wilds to expand and cover entire reels. Then, with the 2nd and 3rd consecutive wins, enjoy a x2 and x3 multiplier, respectively. After the 4th win, symbols 10, J, and Q are removed from the reels. Uncover the power of Yggdrasil to add lives to Viking Wilds and to unlock Free Spins, with growing multipliers that persist until the end of the bonus round, along with the removal of 10, J, and Q for the entire round.

Conquer the reels and claim your place in Viking legend with Viking's Legacy EveryWay™!

GAME FEATURES

Land at least 8 matching symbols anywhere on the reels to win. Watch as winning symbols vanish, allowing new symbols to cascade into place with no limit to the chain reactions that can occur.

EveryWay™

Viking Wild and Chain Reaction

The Viking Wild lands exclusively on reels 3 and 4. Each Viking Wild comes with 2 lives initially. When participating in a winning combination, it doesn't vanish immediately, instead, it loses 1 life, ensuring its presence for more potential wins.

Additional features above the reels amplify the excitement, triggering in consecutive chain reactions following wins involving the Wild symbol. Here's how they activate:

Chain Reactions

- 1. Expand:** Any Wilds on the reels and those landing in subsequent chain reactions expand to 1x4 in size, covering the entire reel.
- 2. x2:** A x2 multiplier is applied
- 3. x3:** A x3 multiplier is applied.
- 4. Remove 10, J, Q:** 10, J, Q no longer land.

All activated features deactivate at the conclusion of the spin.

Yggdrasil

The Yggdrasil adds 1 life to every Viking Wild symbol visible on the reels.

Free Spins

Unlock Free Spins by landing 3 or more Yggdrasil symbols on reels 1, 2, 5, or 6. Initially, enjoy 3 free spins, with the opportunity to earn 3 more by landing additional Yggdrasil's during the feature. During Free Spins, benefit from the Remove 10, J, Q symbols feature, and experience the multiplier transformed into a growing multiplier, starting at x1. Each winning combination boosts the multiplier by 1, which persists until the end of the bonus round. Even spins without wins keep the action alive, granting an extra spin to maximize the excitement.

Feature Buy

- 1. 2 Viking Wilds:** Guaranteed to land 2 Viking Wilds for 40x the stake.
- 2. Free Spins:** Guaranteed to land 3 or more Yggdrasil symbols for 100x the stake.

About Red Tiger Jackpots

Like all Red Tiger slots, Viking's Legacy EveryWay™ may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.10% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.10%. The RTP of the jackpot contribution itself is 100%.
