GAME FEATURES

The Pretty Woman: A steady Wild at the centre of the reels. When you land any of the men symbols – Sportsman, Businessman, or Musician – unique features come to life. Additionally, if you manage to land 2 of these symbols on either side of the Pretty Woman, it triggers Free Spins.

Sportsman: Activates when a Sportsman lands on either side of the Pretty Woman, without any other man on the opposite side. If a Sportsman lands in the middle frame, all Sportsman symbols on the reels become Wilds, and the 1 in the frame clones itself vertically.

Businessman: Activates when a Businessman lands on either side of the Pretty Woman, without another man on the opposite side. It turns all Businessman symbols into Wilds, each with a x3 win multiplier. This multiplier applies to all relevant winning lines. If multiple Businessman contribute to a win, only 1 multiplier is used. If a Businessman Wild and a Cocktail Wild with multipliers both contribute to a win, their multipliers multiply together.

Musician: Activates when a Musician lands left or right of the Pretty Woman, with no other man on the opposite side. All Musician symbols become Wilds and if no win occurs, all Wilds are held, triggering a respin with a guaranteed wild. Respins continue until a win is formed, with new Wilds also held. In respins, the Cocktail Promotion always shows a tall glass. If 1x1 Cocktail Wilds are present, they transform into 1x3 Super Cocktail Wilds. The Multiplier Promotion remains constant throughout the respins.

Long Cocktail: Shaker scatter landing when a Long Cocktail promotion is showing turn into 1x3 Super Wild covering the whole reel. The Multiplier Promotion might also add multipliers.

The Multiplier Promotion displays x1, x2, x3, x5, or x10. If it's more than x1, it boosts all Cocktail Wilds transformed by the Shaker. This multiplier counts for all win lines involving the Cocktail Wild with a multiplier. If multiple Cocktail Wilds with a multiplier contribute to a win, only 1 of the multipliers affects the total win.
