

# Red Tiger presents: Sugar Monster

Get ready to satisfy your sweet tooth with Red Tiger’s Sugar Monster! This confectionery creature is a treat for the taste buds and brings toothsome features to the table.

When the Sugar Monster Wild crawls onto the reels and matches with a scatter pay, it hungrily devours all the symbols in sight. But don’t worry, this sugary encounter has two delightful surprises in store. Firstly, it may spit out Cotton Candy Win Multipliers that will make your winnings extra sweet. Secondly, as its candy feast fills the sugar level progress bar, you may unlock 10 Free Spins for even more fun.

It’s time to unleash the little candy critter on the reels in Red Tiger’s Sugar Monster. Get ready for a mouth-watering experience that will give you the sweet hit you’ve been looking for!

## HIGHLIGHTS

- Candy and monster-themed slot.
- Sugar Monster spits out multipliers up to 100x.
- Retriggers in Free Spins.

GAME FEATURES

Sugar Monster

The Sugar Monster is a wild, substituting for all paying symbols and may appear on the reels at the start of a spin. If present during a win, the Sugar Monster gobbles up the winning symbols and triggers a cascade, causing more symbols to fall onto the reels. Each cascade fills 1 level of the progress bar.

Cotton Multipliers

After eating a winning combination, there is a chance the Sugar Monster may spit up 3 Cotton Candy Multipliers onto the reels, multiplying the win of the spin. The Cotton Candy Multipliers may carry the following values: 2x, 3x, 4x, 5x, 6x, 8x, 10x, 15x, 20x, 25x, 50x, 100x.

Free Spins

Filling the 4 stages of the progress bar in a single spin triggers 10 Free Spins. The Sugar Monster grows into a 2x2 wild and locks into the middle of the reels. During Free Spins, the accumulated multiplier stays active and grows whenever new Cotton Multipliers appear. Further filling the 4 stages of the progress bar in a single spin will trigger 3 extra Free Spins.

Feature Buy

Can't wait to meet our little caramel-eyed confectionary creature? Activate Feature buy to trigger guaranteed features! For 3x the stake you can summon the Sugar Monster to the reels. For 80x the stake, the Sugar Monster appears and gobbles up enough candy to go straight to Free Spins.

About Red Tiger Jackpots

Like all Red Tiger slots, Sugar Monster may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.70% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.70%. The RTP of the jackpot contribution itself is 100%.
