GAME FEATURES

Progress Bar and Nobleman Scatter

Every spin is numbered from 1 to 15, displayed clearly above the reels, allowing players to track their progress throughout the game. Enchanting sirens oversee the gameplay, adding a touch of mystique and charm. Positioned to the right of the reels, a progress bar with 14 milestones represents the Sirens' Treasure and all the attainable rewards.

When the Nobleman scatter symbol lands on the middle reels, the Sirens ensnare him and collect his life essence, advancing the progress bar by 1 step with each occurrence. Every second step on the progress bar unlocks a prize. These prizes are awarded to players on the 15th spin. Only one Nobleman may appear per spin, and he will not appear on the 15th spin.

Wilds

Wilds can surface at any moment during your spins. On the thrilling 15th spin, they may enchantingly appear, complementing any wilds already secured from the Sirens' Treasure bar. These wilds substitute in for all paying symbols, ensuring the most rewarding single pay line combinations.

Siren Queen Wild

Introducing the enigmatic Siren Queen, a remarkable 1x4 Super Wild symbol that substitutes for all paying symbols. She emerges exclusively on the 15th spin, granted by progress on the Sirens' Treasure bar, adorning the middle reel with the potential for x2, x3, or x5 multipliers to boost all pay line wins.

Respins

Respins is activated after Step 10 on the Sirens' Treasure progress, which locks in the Siren Queen, wilds, and any 15th spin or subsequent wilds for thrilling winning opportunities.

About Red Tiger Jackpots

Like all Red Tiger slots, Sirens' Riches may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.18% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.18%. The RTP of the jackpot contribution itself is 100%.
