GAME FEATURES

Wilds

There are 2 types of wilds, Skull Wilds and Seal Wilds. All wilds substitute for all paying symbols, however Seal Wilds summon a demon horseback rider to trigger 1 of 4 features: Conquest, War, Famine, or Death.

Conquest Feature

Conquest rains arrows onto the reels, turning symbols into wilds where they land.

War Feature

Up to 7 symbols are slashed in half by War, increasing the number of win ways.

Famine Feature

Famine selects 2 random reels and applies the symbol count of each as a symbol multiplier to the other.

Death Feature

Death randomly drags down 1 or 2 reels, revealing up to 3 Skull Wilds with a symbol multiplier. The multiplier grows gradually with each new revealed wild.

Free Spins

Landing 3 Free Spins scatters triggers 8 Free Spins. Before entering Free Spins, you will enter the Judgement phase, randomly selecting 1 of the 4 horseback riders that will activate its feature on every spin. Landing 3 additional scatters in Free Spins awards 4 extra spins, plus another Judgement phase selection where another horseback rider can be selected. Retriggers may occur while there are still horseback riders to be activated during the Judgement phase.

Feature Buy

Activating the Feature Buy will grant you either a guaranteed random horseback rider on the current spin for 10x the bet, or 3 guaranteed Free Spins scatters for 90x the bet.

About Red Tiger Jackpots

Like all Red Tiger slots, Judgement Day Megaways™ may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.76% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.76%. The RTP of the jackpot contribution itself is 100%.
