About Red Tiger Jackpots

Like all Red Tiger slots, Ancient Disco may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.71% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.71%. The RTP of the jackpot contribution itself is 100%.

SYMBOLS

Signature ancient Egyptian symbols and artefacts are dressed in 1980s disco style with flamboyant and colourful clothes and accessories. The low-paying symbols are depicted by the highest-ranking playing card suits, looking as if they just are fresh from the 80s. The high-paying symbols are luminous 80s representations of ancient Egyptian objects: Vases serving as giant cocktail vessels, gem-studded and glittery pharaoh cats, disco ball mirror mosaic-emblazoned scarabs and neon-lit DJ Pharaohs.
