

Red Tiger presents: Astros

Prepare to ascend in Astros by Red Tiger!

With 5 thrilling levels, start at the base, where symbols reveal stake multipliers (0.1x, 0.2x, 0.3x, 0.5x, 1x, 2x, 5x, 10x, 20x, and 100x.) To go up a level you need to match at least 3 symbols. To progress to higher levels beyond the first level, you must continue matching 3 symbols of the same value as the symbols found at the very first level. As you ascend the steps, each level unveils its unique multiplier: level 2 offers x2, level 3 delivers x5, level 4 boasts x10, and level 5 astounds with an incredible x50. Surpass level 5 and seize the prize of 5000x.

On level 3, the Seven Prizes Bonus might be triggered by a Bonus scatter. The round shuffles stake multiplier symbols on 7 mystical positions, offering 7 potential prizes: 1x, 2x, 5x, 10x, 20x, 100x. The bonus prize multiplies by the number of triggering scatters, up to 5x if you start with 5 scatters. Wilds are your allies, substituting for all symbols except Bonus scatters.

Reach new heights, conquer the pyramid, and unveil the mysteries of the Astros!

HIGHLIGHTS

- Match 3 symbols to ascend 5 thrilling levels.
- Multipliers starting from the 2nd level.
- A Bonus scatter on level 3 opens the Seven Prizes Bonus for 7 stake multiplier symbols.

| With-jackpot RTP options | 90.14%, 90.70%, 92.75%, 94.75% |

GAME FEATURES

Embark on an epic journey up the pyramid! This adventure takes you through 5 thrilling levels. Your quest begins at the base level, where symbols display a stake multipliers award shown as a monetary value. The possible prizes on the symbols are: 0.1x, 0.2x, 0.3x, 0.5x, 1x, 2x, 5x, 10x, 20x, 100x.

To ascend a level, match at least 3 symbols of the same value and make them active. Continue matching 3 symbols of the same value as the base level to progress further up the Astro Pyramid. If additional active symbols land, the amount displayed on them is added up for your prize.

Level Multipliers

As you ascend, each level reveals its magic multiplier:

- Level 2: x2
- Level 3: x5
- Level 4: x10
- Level 5: x50

Reach the pinnacle of level 5 and you'll unlock a celestial prize of 5000x your stake!

Wilds

Wilds substitute for all symbols except Bonus scatter and may land on each level.

Seven Prizes Bonus

A surprise awaits you on level 3: the Seven Prizes Bonus! Land at least 1 Bonus scatter to trigger this round. Watch as stake multiplier symbols shuffle on 7 mystical positions. A random prize will land on each of the 7 positions, and the total amount you've collected in the Seven Prizes Bonus is yours to claim.

The possible prizes that may land on each of the 7 positions are: 1x, 2x, 5x, 10x, 20x, 100x. The bonus prize is determined by multiplying the total prize by the number of scatters that triggered it. If you trigger the bonus with 5 scatter symbols, you can potentially receive a 5x multiplier on the overall prize.

About Red Tiger Jackpots

Like all Red Tiger slots, Astros may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.14% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.14%. The RTP of the jackpot contribution itself is 100%.
