# SCREENS

## Main Screen

The reels are set against the golden sands of Egypt, surrounded by palm trees and not far from the majestic river Nile where the hidden gold of the Pharaoh awaits. To the right-hand side of the reels, a mysterious globe sits upon a pillar: it can activate on any spin, causing reels to expand into big-winning combinations.

# WIN LINES

All wins are paid when a symbol matches a payline pattern from the leftmost side of the reels. The prize value is the sum staked per line, multiplied by the applicable prize multiplier as advertised on the payable. Where multiple wins occur on multiple win lines, the total win values are summed. If more than one win occurs on the same payline, the largest win is paid.

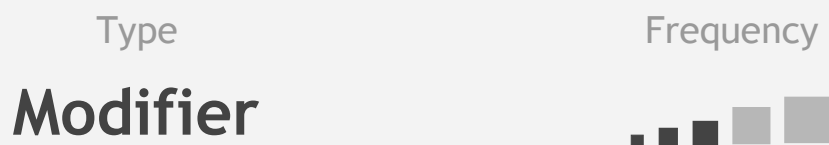

# FEATURES

## Five of a Kind

### Summary

Five of a kind symbols landing across a single win line are a frequent, big-paying feature!

# Expanding Tiles

## Summary

When signaled by the globe at the right side of the screen, all reels with the featured symbol expand to spread the symbol across the reel for even more win lines!
