Red Tiger presents: Diamond Doggies

Unleash the sparkle with Diamond Doggies, where 4 adorable pups lead the way!

Diamond Wilds land on reels 2, 3, 4, and 5, filling the 3-step progress bar above the reel they land on and transforming Doggie symbols into Doggie Wilds. If no wins occur, respins are triggered, holding any Doggie Wilds and adding a multiplier to them when Diamond Wilds land below a full bar. Land 3 Free Spins scatters on reels 1, 3, and 5 to trigger 10 free spins, with your progress carried over for even more winning chances.

Diamond Doggies promises a sparkling adventure with every spin!

GAME FEATURES

Diamond Wilds

Diamond Wilds substitute for all paying symbols and count as the symbol that forms the highest winning combination on a single win line. They appear on reels 2, 3, 4, and 5.

Doggie Wilds

Doggie Wilds substitute for all paying symbols and count as the symbol that forms the longest winning combination on a single win line. They appear on reels 2, 3, 4, and 5.

Progress Feature

Progress bars with 3 steps are placed above reels 2, 3, 4, and 5, representing each of the 4 Doggie symbols in the game, from highest paying to lowest paying, from left to right. Landing a Diamond Wild fills 1 step of the progress bar above the reel it landed on. Filling up a progress bar turns the respective Doggie symbol into a wild on reels 2, 3, 4, and 5. Filled progress bars reset on the next spin. After filling a progress bar, if no Doggie Wilds participate in a win, a respin is triggered. All Doggie Wilds and Diamond Wilds are held for the respins. During the respins, if additional Doggie Wilds land, they are also held. Respins continue until any Doggie Wild participates in a win.

Free Spins

Landing 3 Free Spins scatters on reels 1, 3, and 5 triggers 10 free spins. Free Spins scatters cannot land during Free Spins. The progress of the Doggies transfers into Free Spins. Filling up a progress bar in Free Spins turns the respective Doggie symbol into a wild on reels 2, 3, 4, and 5 for the remaining free spins. Filled progress bars are reset only at the end of the bonus round. During Free Spins, landing a Diamond Wild on a reel where the progress bar is already filled will increase the multiplier of the respective Doggie Wild by 1 for the duration of the bonus round.

About Red Tiger Jackpots

Like all Red Tiger slots, Diamond Doggies may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.09% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.09%. The RTP of the jackpot contribution itself is 100%.
