

HIGHLIGHTS

- Horizontal Reel with special fish symbols, Fish School, and an Underwater Mine.
- Contest Spins with multipliers up to x10 and extra spins.
- Feature Buy to dive straight into Contest Spins for 110x the stake.

Red Tiger presents: Bass Boss Megaways™

Sink your hook into Bass Boss Megaways™ and reel in some serious rewards!

Cast the line as the Bass Boss hooks Instant Win fish and might even toss groundbait to lure in more. The horizontal reel holds Green and Orange Fish with big multipliers and the Golden Catfish with massive prizes. It's also home to a Fish School that fills reels with fish, an explosive Underwater Mine that collects all fish, and Instant Contest Spins to trigger the bonus round.

Trigger Contest Spins by landing 3 or more scatters, where the Bass Boss casts his line on every spin. Catching enough fish boosts multipliers up to 10x and awards extra spins. Want to dive straight in? Use the Feature Buy to enter Contest Spins.

Will you help the Bass Boss reel in legendary wins or let the big ones escape?

| With-Jackpot RTP options | 90.13%, 90.74%, 92.75% |

GAME FEATURES

Bass Boss Catch

The Bass Boss sits above the reels and randomly casts his line during or after a spin to catch fish. His float lands on a random reel, collecting all fish there. If no win takes place after a spin or chain reaction, he might cast his line again to catch fish or special symbols.

Ground Bait

The Bass Boss may randomly throw groundbait before casting his line, causing many fish to land on the reels, with at least 1 fish guaranteed per reel.

Improved Float

Multipliers can randomly appear on the fishing float during the base game. Any fish caught with a Multiplier will have its Instant Win prize multiplied by x2, x3, x5, or x10.

Fish Scatters

Fish scatters can land anywhere on the reels except the horizontal reel. They do not contribute to win ways and each holds an Instant Win prize based on a stake multiplier:

- **Grey Fish:** 0.5x, 1x, 2x, or 3x
- **Blue Fish:** 5x, 6x, 7x, or 10x

Horizontal Reel

A horizontal reel sits below the standard reels, where all paying symbols can land. Additionally, exclusive symbols appear on this reel:

- **Green Fish (1x2 size):** Holds 15x, 20x, 25x, or 30x.
- **Orange Fish (1x3 size):** Holds 50x, 75x, 100x, or 200x.
- **Golden Catfish (1x4 size):** Holds 500x, 750x, 1,000x, or 2,000x.
- **Fish School:** When caught by the Bass Boss, it transforms all symbols on the vertical reel above it, including itself, into Grey or Blue Fish, which are then caught.
- **Underwater Mine:** When caught, it explodes, collecting the prizes of all fish symbols on the reels.
- **Instant Contest Spins:** When caught, it instantly triggers Instant Contest Spins.

Contest Spins

Landing 3 or more Contest Spins scatters anywhere on the reels (except the horizontal reel) triggers a bonus round:

- 3 scatters = 10 free spins
- 4 scatters = 15 free spins
- 5 scatters = 20 free spins
- 6 scatters = 25 free spins

If the Bass Boss catches an Instant Contest Spins symbol, 10 free spins are triggered. During Contest Spins, the Bass Boss casts his fishing line on every spin and a progress bar tracks the number of fish caught, unlocking 4 milestones:

- Level 1: 12 fish – x2 Multiplier
- Level 2: 13 fish – x3 Multiplier
- Level 3: 14 fish – x5 Multiplier
- Level 4: 15 fish – x10 Multiplier

Each milestone grants 8 extra Contest Spins, and the Multiplier stays active until the end of the bonus round.

Feature Buy

Contest Spins:

Guaranteed to land 3 or more Contest Spins scatters for 110x the stake.

About Red Tiger Jackpots

Like all Red Tiger slots, Bass Boss Megaways™ may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.13% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.13%. The RTP of the jackpot contribution itself is 100%.
