GAME FEATURES

Mistress Wild

The Mistress Wild pops up solely on the 3rd reel in each 8th base game spin and on the middle 3 reels during Free Spins. These wilds can swap in for any paying symbols.

Work Shift and Golden Nuggets

Get to work with your fellow Dwarves, with each spin numbered from 1 to 8, indicated by a counter above the reel. Watch out for those Golden Nuggets on the 3rd reel, they're your key to unlocking the treasure trove and getting cozy with the Gold Mine Mistress! If you've gathered any Golden Nuggets, brace yourself for the 8th spin! That's when the Mistress Wild emerges in various sizes and win multipliers, all based on the number of Nuggets you've collected.

- 1 Golden Nugget: 1x1 Mistress Wild.
- 2 Golden Nuggets: 1x1 with x2 multiplier.
- 3 Golden Nuggets: 1x1 with x3 multiplier.
- 4 Golden Nuggets: 1x3 with x2 multiplier.
- 5 Golden Nuggets: 1x3 with a x3 multiplier.
- 6 Golden Nuggets: 1x3 with x10 multiplier.
- 7 Golden Nuggets: 1x3 with x50 Multiplier.

On the 8th spin, expect a sure win with respins until a victory appears. Plus, if the Gold Mine Mistress joins the round, she sticks around for those respins.

Free Spins

Land a Free Spins symbol on reel 5 to trigger unlimited Free Spins. It shows up exclusively during the 8th spin of the Work Shift and won't appear in the bonus round. Free Spins may bring the Mistress Wild in all her base game variations, appearing on any of the middle 3 reels and working her multiplier magic. If multiple Mistress Wilds with multipliers show up in a winning line, their multipliers multiply.

At the start of Free Spins a poisonous Apple will be left from the Free Spins symbol on a random position on the 5th reel. On each spin during the bonus round the Apple will move randomly through each of the 3 positions on a given reel, then move to a random position on the 1 to the left. If the token moves over all 3 positions on the 1st reel it will move back to a random position on the 5th reel. Free Spins ends when a Mistress Wild lands on a position where the Apple is present.

About Red Tiger Jackpots

Like all Red Tiger slots, Gold Mine Mistress may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.08% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.08%. The RTP of the jackpot contribution itself is 100%.
