

Red Tiger presents: 1942: Sky Warrior

Bring your ace game and take to the skies of 1942 to become a legendary fighter pilot and experience some high altitude Wilds. When participating in a win, these Wilds trigger one of the game's thrilling features - Remove Low Paying Symbols or Upgrade High Paying Symbols. Keep your mind sharp and your sights keen for those Wilds, as victory will then be within your grasp! As the reels spin, check your engines and see whether any Free Spin symbols land on reels 1, 3 and 5 to award 10 Free Spins. Bonuses, big prizes, and more await on the other side of the Wild so take the chance to earn your stripes with each win. Play now to protect, defend, and have a chance at aviation glory!

About Red Tiger Jackpots

Like all Red Tiger slots, 1942: Sky Warrior may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.72% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.72%. The RTP of the jackpot contribution itself is 100%.

FEATURES IN THE GAME

WILD FEATURE

Wild symbols substitute for all paying symbols. When seen in a winning spin, these Wilds trigger a feature depending on which paying symbol forms the win. Up to 2 Wild symbols may land per spin. Throughout the game Wilds lead to the opportunity for big wins and the chance to keep the Free Spins flowing.

FEATURES IN THE GAME

REMOVE LOW PAYING SYMBOLS

Wait for the shadow of the Sky Warrior! When these Wilds appear and trigger a win line with low-paying symbols they are then removed from the reels so that new symbols can fall and take their place. This allows players to see further Wilds lands on the reels and opens the door for further wins.

FEATURES IN THE GAME

UPGRADE HIGH PAYING SYMBOLS

Watch as the Wilds land because if they trigger a win line with high-paying symbols, players will see these symbols upgrade. Once the upgrade is complete the win line pays the player. If, instead, a Wild triggers win lines with both low-paying and high-paying symbols, players will see the high-paying symbols upgrade first, to be followed by the removal of all low-paying symbols.
