

Red Tiger presents: Cash Goddess

Beneath sun-scorched stone and sacred symbols, the Cash Goddess watches over hidden riches.

Cash symbols land across the reels, carrying multipliers or divine bonus prizes: Mini, Minor, Major, and the legendary Mega. Trigger Hold & Respin with 6 or more Cash symbols to lock in your rewards and collect even greater treasures. In Free Spins, Wilds expand into massive 3x3 Mega Wilds with multipliers, while Cash symbols transform into colossal Mega Cash symbols. Their values are multiplied, held in place, and the Hold & Respin round is triggered. Choose your path with Feature Buy—instantly enter Free Spins or Hold & Respin and let fortune rise from the ruins.

Every spin is a step deeper into the temple’s secrets, guided by the Cash Goddess herself.

GAME FEATURES

Cash Symbols and Bonus Prizes

Cash symbols land on all reels and hold cash or bonus prizes as stake multipliers. Cash prizes can be 1x, 2x, 3x, 5x, 10x, or 15x. Bonus prizes include: Mini – 20x, Minor – 100x, Major – 500x, and Mega – 10,000x. These prizes are only available during the Hold & Respin feature. Any Cash symbol displaying “Mini”, “Minor”, “Major” or “Mega” awards its prize at the end of the Hold & Respin round. Only one Mega prize can be awarded per feature.

Expanding Wild

The Wild symbol can land on all reels and expands to cover the entire reel when it lands. It substitutes for all paying symbols except Scatter and counts as the symbol that creates the longest possible win on a single payline.

Hold and Respin

Landing 6 or more Cash symbols triggers the Hold & Respin bonus round. All triggering Cash symbols are held in place, and 3 respins are awarded. Each symbol position becomes its own reel, and only empty spaces or new Cash symbols can land. Every time a new Cash symbol appears, the respin count resets to 3. The feature ends if no new symbols land after 3 respins or if all positions are filled. At the end, the total value of all held Cash symbols is awarded.

Free Spins

Landing 3, 4, or 5 Free Spins scatters anywhere on the reels triggers 10 free spins. During the bonus, each additional Free Spins scatter on the middle three reels adds 10 more spins. Scatter, Wild, and Cash symbols can only appear on the middle three reels during Free Spins. Cash symbols containing the Mini, Minor, Major, or Mega bonus prizes do not appear in this mode. When a Wild lands on the middle reels, it expands into a 3x3 Mega Wild. If 2 or 3 Wilds land, the Mega Wild holds a x2 or x3 multiplier, applied to all win lines it helps complete.

If a Cash symbol lands on the middle reels, it expands into a 3x3 Mega Cash symbol. Its value is multiplied by 9. If multiple Cash symbols land, their values are added before the 9x multiplier is applied. The Mega Cash symbol is held, and a Hold & Respin feature is triggered. Any remaining Free Spins play out after the bonus ends. Expansions occur after any win line payouts.

About Red Tiger Jackpots

Like all Red Tiger slots, Cash Goddess may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.14% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.14%. The RTP of the jackpot contribution itself is 100%.
