

## Red Tiger presents: Dragons' Lock

Unleash the fiery power of Dragons' Lock and watch treasure burst from the flames!

Unlock 3 powerful chests, each holding instant cash prizes with stake multipliers. Start with the 1st chest and collect Dragon Keys to unlock the others, with bigger prizes the further you go.

Dragon Keys land on reels 1, 3, and 5, sometimes with multipliers of up to 20x. The more keys you collect, the closer you get to unlocking all 3 chests. Once all 3 chests are unlocked, landing 1 key opens the 1st chest, 2 keys open the 2nd, and 3 keys open the 3rd. Land 3 Free Spins scatters and enter the mystical bonus round, where Dragon Keys land more often, giving you even more chances to win!

Will you awaken the dragons' riches or face his fiery rewards?

## HIGHLIGHTS

- **Unlock 3 Dragon Chests with escalating cash prizes and stake multipliers.**
- **Land 3 Free Spins scatters 10 free spins.**
- **Feature Buy a Dragon Chest or buy Free Spins to trigger the bonus round.**

<b>With-Jackpot RTP options</b>	90.06%, 90.72%, 92.73%

## GAME FEATURES

**Wilds** substitute for all paying symbols and count as the symbol which forms the longest winning combination on a single win line.

### Wilds

**Dragon Chests** offer instant cash prizes represented by stake multipliers. There are 3 Dragon Chests, each with different prize values:

### Dragon Chests

**1st Dragon Chest:** 3x, 4x, 5x, 7x, or 10x  
**2nd Dragon Chest:** 15x, 20x, 25x, 30x, or 50x  
**3rd Dragon Chest:** 75x, 100x, 150x, 200x, or 250x

At the start of the game, only the 1st Dragon Chest is unlocked. Landing a Dragon Key progresses towards unlocking the other chests. It takes 5 Dragon Keys to unlock the 2nd Dragon Chest and 5 more to unlock the 3rd Dragon Chest. Each chest is locked with padlocks, with 1, 2, or 3 locks on the 1st, 2nd, and 3rd chests, respectively. Once all chests are unlocked, landing Dragon Keys will open them and award the corresponding prize. If the 2nd chest is not unlocked, extra Dragon Keys will open the 1st chest. Once the 2nd chest is available, landing 3 Dragon Keys will open both the 1st and 2nd chests. When all 3 chests are unlocked, each Dragon Key landed will open the chest it corresponds to and award the prize.

### Dragon Keys

Dragon Keys can land on reels 1, 3, and 5, sometimes with a multiplier. The multiplier applies to the prize of the Dragon Chest the key opens. Possible multipliers are 2x, 3x, 5x, 10x, or 20x. If multiple Dragon Keys with multipliers open the same chest, their multipliers are added together.

### Free Spins

Landing 3 Free Spins scatters on reels 2, 3, and 4 triggers 10 free spins. If 3 more scatters land during the bonus, 10 additional spins are awarded. During the bonus round, Dragon Keys have a higher chance of landing.

### Feature Buy

**Dragon Chest:** Guaranteed to land 1 or more Dragon Keys in the spin and open 1 of the Dragon Chests. All chests will be available for the duration of the game round after which you will be returned to your current state of progress. The price for buying this feature is 20x the stake.

**Free Spins:** Guaranteed to land 3 Free Spins scatters in the spin and enter the bonus round. All Dragon Chest will be available for the duration of the game round after which you will be returned to your current state of progress. The price for buying this feature is 80x the stake.

### About Red Tiger Jackpots

Like all Red Tiger slots, *Dragons' Lock* may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.06% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.06%. The RTP of the jackpot contribution itself is 100%.
