5 FAMILIES

5 Families is a 5x3 slot in a classy ornate frame set in the Mob's smoky and salubrious candlelit casino. The target is clear - fill all 5 chambers of the revolver above the slot to enter the secret VIP Room where all wins are multiplied by 5! The reels are filled with mafia-themed symbols including the front page news, the tumbler of premium Irish whiskey, the casino chips and cards, the briefcase and the higher-paying 5 Mob bosses - Nicky "The Knife", Tommy "Toothpick", Sonny "Suits", Benny "The Bull" and the highest-paying boss of bosses, Mickey "Big Mouth". In the VIP Room, the symbols are all worth 5 times more. A gun is added to the newspaper, bullets to the whiskey, cash to the poker chips and the contents of the briefcase are revealed. The now gold-framed 5 bosses unveil their hands. Gentle jazz music and classic wise guy remarks accompany each spin transporting players to the gangster's forbidden underworld!
