

Red Tiger presents: Thor’s Rage

Thor’s Rage erupts across the reels, crushing everything in its path!

Land 8 or more matching symbols anywhere to form a win. With a crash of thunder, huge Multipliers up to x1000 strike down to supercharge your payouts. Wilds substitute for any symbol, helping you win and then transforming into Multipliers to boost your rewards even more. After each win, symbols vanish, and new ones tumble in to create endless chain reactions. Hit 4, 5 or 6 Free Spins scatters to trigger 15 free spins, where Multipliers build into a total that never resets, so the more you collect, the bigger the rewards. Use the Feature Buy to grab a guaranteed Multiplier or Free Spins.

This is no gentle breeze... Thor’s Rage hits hard!

GAME FEATURES

Scatter Pays and Chain Reaction

8 or more symbols of the same type pay anywhere on the screen. The value of the win is determined by the total number of same symbols shown on the screen at the end of a spin. The Scatter pays for combinations of 4, 5 or 6 symbols. Symbols forming wins disappear, making way for new symbols to drop in that may form new wins. There is no limit to the possible chain reactions.

Wilds

Wilds substitute for all symbols except Scatters. After taking part in a win, Wilds do not disappear in the chain reaction but turn into Multiplier symbols instead.

Multipliers

Multipliers are added up at the end of all chain reactions, and the total sum of all chain reaction wins is multiplied by the sum of the Multipliers. The Multiplier can have one of the following values: x2, x3, x4, x5, x6, x8, x10, x12, x15, x20, x25, x50, x100, x250, x500 or x1000.

Free Spins

4, 5, or 6 Free Spins scatters trigger 15 free spins. In Free Spins, any Multiplier values that are part of a winning combination are added together and stored above the reels as a running total. This total Multiplier does not reset during the feature. Each time a new Multiplier contributes to a win, it’s added to the existing total, which is then applied to the current win and saved as the new total Multiplier. Wins without a new Multiplier symbol do not benefit from the total Multiplier. During Free Spins, 3 or more Scatters award 5 extra free spins.

Feature Buy

- 1. Multiplier:** Guarantees a Multiplier or a Wild symbol, together with any symbol win for 7x the stake.
- 2. Free Spins:** Guarantees 4 or more scatters to enter the bonus round for 100x the stake.

About Red Tiger Jackpots

Like all Red Tiger slots, Thor’s Rage may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.05% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.05%. The RTP of the jackpot contribution itself is 100%.
