Red Tiger presents: Trillionaire Megaways™

Unleash your inner style icon and embrace the glitz of Trillionaire Megaways™, in collaboration with Fashion TV Gaming Group.

Glamour Girl Wilds expand with multipliers, Price Tags deliver instant cash wins, and Gift Boxes unlock Mega Jackpots of up to 10,000x your bet. Trigger the Hold and Respin Bonus in Free Spins, played on a 6x3 or 6x4 grid. Only Price Tags, Glamour Girls, and Trillionaire symbols land during this feature. The Trillionaire lands exclusively on the 6th reel, doubling all cash values on the grid before disappearing. Glamour Girls stay in place, collecting Price Tags and holding their value until the feature ends. Each new symbol resets your spins to maximize your chances of hitting big rewards.

Will you take your place among the elite?

GAME FEATURES

The Glamour Girl Wild appears on reels 2, 3, 4, and 5. It expands to fill the reel and applies a multiplier equal to the number of symbols on that reel.

Glamour Girl Wild

Price Tags

Price Tags can appear on any reel, each showing a random cash prize as a stake multiplier. Possible multipliers include 0.5x, 1x, 2x, 3x, 5x, or 10x. The Trillionaire lands only on reel 6. If 1 or more Price Tags land in the same spin or drop in a cascade with the Trillionaire already present, their cash values are instantly awarded. All Price Tags then break and make way for the next cascade.

Gift Boxes

Above the reels are 4 prizes: Mega, Maxi, Midi, and Mini, valued at 10,000x, 1,000x, 100x, and 25x your bet. To win, land 1, 2, 3, or 4 Gift Boxes on the reels alongside the Trillionaire on reel 6.

- 1 Gift Box awards the Mini Jackpot.
- 2 Gift Boxes award the Midi Jackpot.
- 3 Gift Boxes award the Maxi Jackpot.
- 4 Gift Boxes award the Mega Jackpot.

The Trillionaire symbol stays on the reels throughout Chain Reactions. If Price Tags appear during the reaction and the Trillionaire is present, their cash prizes are awarded, and all cash symbols disappear, but the Trillionaire remains for potential wins.

Free Spins

Free Spin symbols can land on reels 2, 3, 4, and 5. Landing 3 or 4 Free Spin symbols triggers the Hold and Respin Bonus:

- 3 Free Spin symbols: The bonus is played on a 6x3 grid.
- 4 Free Spin symbols: The bonus is played on a 6x4 grid.

Only Price Tags, Glamour Girl, and Trillionaire symbols can land during this feature. The player starts with 10 free spins, if the remaining spins drop below 3, landing a new symbol resets the counter back to 3.

When a Glamour Girl lands, it collects all Price Tags from the grid, clearing space for new ones. The Glamour Girl stays in place until the end of the feature, holding its collected total and continuing to collect any new Price Tags that land. If multiple Glamour Girls are on the grid, each collects the full value of all Price Tags independently. Glamour Girls cannot collect amounts from one another.

When a Trillionaire lands, it doubles the value of every Price Tag and Glamour Girl on the grid. The Trillionaire disappears before the next respin, making way for even more potential wins.

Feature Buy

- 1. Trillionaire:** Guaranteed to land the Trillionaire together with at least 1 Price Tag or Gift Box in the spin for 15x the stake.
- 2. Free Spins:** Guaranteed to land 3 or more Free Spins symbols and enter the bonus round for 70x the stake.

About Red Tiger Jackpots

Like all Red Tiger slots, Trillionaire Megaways™ may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.06% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.06%. The RTP of the jackpot contribution itself is 100%.
