About Red Tiger Jackpots

Like all Max Win Gaming Slots powered by Red Tiger, Don't Hit PLZ! may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 90.11% RTP and adding a 1% jackpot contribution gives an overall RTP of 91.11%. The RTP of the jackpot contribution itself is 100%.
